THE BUSINESS

Burgur Grill is a franchise providing a quick service restaurant concept including takeaway and delivery service. The subject franchise is the first in Scotland with branches in Hamilton, Cumbernauld and Edinburgh.

The bespoke service the current operators provide is reflective of the success of the business and in turn, the return custom. The current operators have decided to sell the business due to a change in circumstance, thus creating an extremely desirable opportunity to acquire a thriving, profitable business with a highly experienced team on a truly turnkey leasehold basis. The premises provide a new tenant with a first class 'walk in' premises.

The Pollokshields franchise trades Monday to Sunday from 2pm to 10 pm and enjoys regular trade from customers, such is the trading position. Currently, there are 3 full time staff members employed and 2 part time.

The franchisor has provided comprehensive training and will offer on-going support.

There is the option to acquire the Pollokshields franchise or the Burgur Grill brand alone. The brand income from royalty fees, stock supplies and marketing services alone is in excess of £75,000 per annum.

We have been advised that all fixtures and fittings are owned outright and included within the goodwill purchase price. Proof of sales will be made available to seriously interested parties post viewing stage.
