## PROPERTY DESCRIPTION

The property comprises a mid-terraced light industrial unit that was refurbished in 2019, incorporated integral two storey office / ancillary accommodation. The building is of steel portal frame construction and brick elevations. The unit has a pitched roof providing a minimum eaves height of 5.5m rising to 7.6m at the apex.

The warehouse benefits from a concrete floor, clear span layout, and an electronically operated roller shutter door which opens to a covered loading area and forecourt yard. The office / ancillary accommodation comprises ground floor office, a kitchenette, WC's and first floor open plan office space. The office space benefits from carpeted floors, suspended ceilings incorporating LED panel lights and air conditioning.

Externally, there are three allocated parking bays to the front elevation and further shared parking opportunities on the estate.
