LOWER ROAD

## LOCATION

The site is located on **Lower Road, Halebank, Widnes** off the A562, providing immediate access to the Knowsley Express Way. This in turn provides direct access to Tarbock Junction (M62/M57 interchange) further leading onto the wider North West motorway network. Junction 21a of the M6 is 15 miles to the east, providing access onto the M6, both North and Southbound. Junction 8 of the M56 is 8.4 miles to the south with the Welsh border 22 miles to the west. The M62 motorway also connects Liverpool to Leeds via the M60 motorway.

# LOCATION

Widnes is also strategically located close to **Liverpool John Lennon Airport**, with regular flights to a range of European cities as well as a large number of domestic flights. **Manchester Airport is 28 miles** to the east and is accessed via the M56. The airport handles c.120,000 tonnes of freight annually and is gateway to the North of England for freight transportation.

Widnes is also served via **Widnes Train Station**, sitting on the West Coast Mainline and providing regular services to both **Liverpool Lime Street** and **Manchester Piccadilly** stations within 30 minutes with **London Euston** being accessed within 2 hours.

**The Port of Liverpool** is also situated to the east of the site and town centre. The Port of Liverpool handles on average 31.1 million tonnes of freight per year, making this the **fourth largest port in the UK** by tonnage of freight. The port has also recently benefitted from over £400 million of investment in a deep sea container terminal to facilitate modern freight ships, named Liverpool2.
