GLENDOLL SHED, GLENDOLL, KIRRIEMUIR

LOCATION

The subjects are situated in Glendoll north of Kirriemuir within the Angus and Perthshire Glens, a popular destination approximately 35 miles north of Dundee.

The surrounding area offers a range of outdoor activities with various walking routes. There are several residential homes and farms close by and Glen Doll Lodge Country Retreat just to the north provides holiday accommodation.

DESCRIPTION

Glendoll Shed is an ex-deer larder & store, brick-built building with slate roof over. The deer larder was decommissioned some years ago and the building has been used wholly as a store since. The building sits on a slightly elevated position above the forest road in a small opening in the forest with open views to the south over the valley and the river White Water a tributary of the river South Esk.

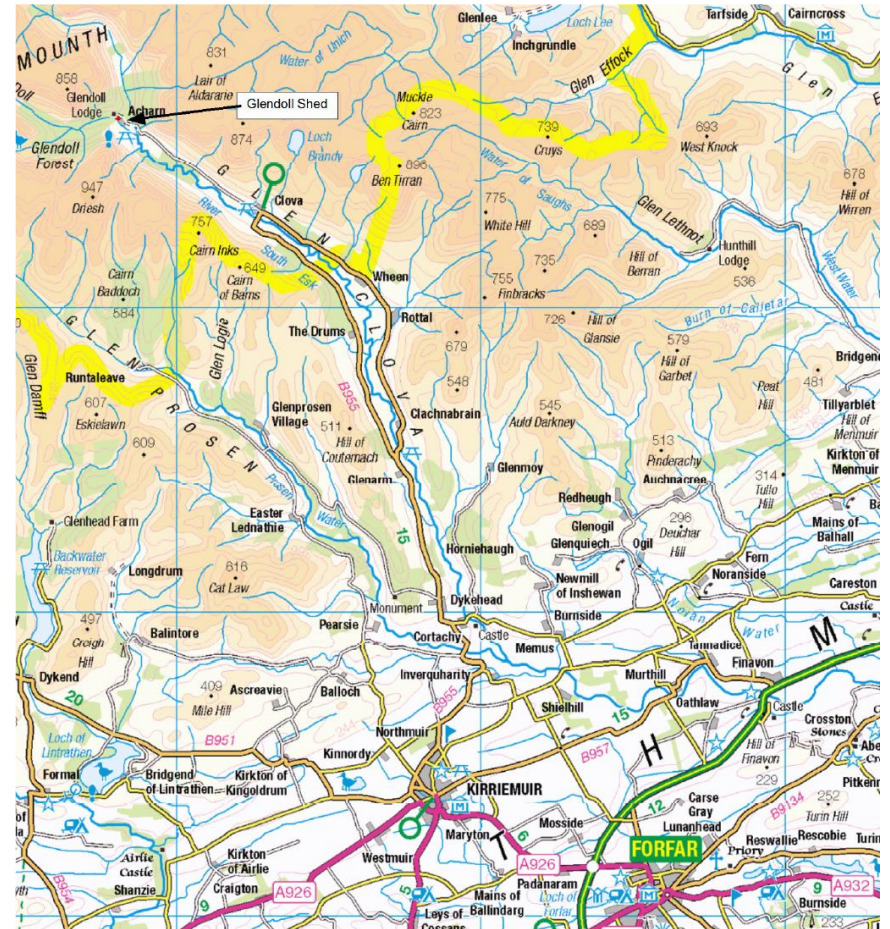

The total site area extends to approximately 0.116 hectares (0.287 acres). Please refer to the legal pack for further information.

Entry to the site is gained from the nearby access road, and the configuration of the site would lend itself towards a variety of uses subject to planning. The site is covered in a mixture of buildings, vegetation and woodland.

We would strongly recommend that any prospective purchaser satisfies themselves with the full extent of the subjects by reviewing the full title and legal pack relating to this disposal prior to purchase. The information provided is indicative only.

RATEABLE VALUE

The subjects are not entered within the current Valuation Roll. Prospective purchasers are advised to make their own enquiries.
